# MY WHAT A NICE HAT!

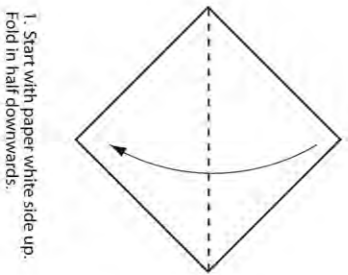

Your challenge, should you choose to accept it, is to create your own protective headgear by following the instructions to the right.

Of course, you'll want to stand out from the crowd, so you'll also find materials on your table to 'pimp' your hat once made.

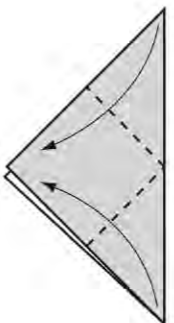

When your whole table have made and pimped their hats, tweet a photo of you all wearing them with hashtag #altcgame

The first 5 tables to tweet their pictures will win extra wine!
